Conceptual area	Basic	Intermediate	Advanced
Reading and	Occasionally able to	Read simple data and	Read all kinds of data
interpreting data	answer questions that	need support to	and answer questions
(Activity 1-3)	require direct reading	interpret complex	that require direct
	of data (tables, charts,	charts (more than two	reading data.
	maps)	variables)	
Gathering and	Mostly not fully	Gathers data carefully	Gathers data carefully
representing data	attentive and careful	and tries to represent	and represents
(Activity 2-3)	while gathering data.	but not accurately	accurately
	May represent data in		
	simple form with		
	mistakes		
Drawing inferences	Requires support to	Analyses and draws	Independently analyse
(Activity 3)	analyse the data	conclusion for simple	and draws conclusion
		data. Need support for	with all kind of data.
		complex cases (more	
		than two variables)	

Assessment sheet

Students name	Reading and interpreting data (Activity 1-3)	Gathering and representing data (Activity 2-3)Intermediate	Drawing inferences (Activity 3)
e.g. Jagan	A (advanced)	I (Intermediate)	B (Basic)
