

## Reading activity

EN5116

The teacher can provide a simpler version of the story like a rebus story and ask students to read from them. An example is given below:

A , a  and a  were friends.

They wanted to cross a

The  said, ' let us float on you.'

'No, friend, let the  stretch himself across the

Then we can cross over him,' said the .

The  stretched himself. He laid down from one bank to the other.

The  stepped over him. He fell SPLASH into the water.

The  shook with laughter. It burst with a BANG.
