

Classroom Discussion

EN5119

Teacher may initiate a discussion with the students and ask them some simple questions. Through this, students should be led towards an understanding of the school and the activities held in their school:

- What is the name of our school?
- What do you do in the school?
- What do you like about your school?
- Do you remember your first day at school?
- How did you feel during your first day at school?
- What do you wear to school?
- What did you do on your first day at school?
- Who was your first friend in school?

Students can be encouraged to respond in Tamil and teacher can help translate it in English. Key words from their responses can be written on the board and students can be asked to come in pairs and read them from the board, with the help of the teacher.

Learning Outcomes achieved through this Activity:

Through this activity students:

- are able to listen and comprehend to simple questions in English
 - are able to answer in simple sentences
 - recall first day at school
-
