

Classroom Discussion

Students may be asked to take turns to talk about the members present in their family. They may respond in Tamil and teacher can help translate it to English. Common terms for family members – like, mother, father, sister, brother, granny/grandmother, grandpa/grandfather, etc., can be written on the board. Students may also be encouraged to talk about any pet animal that they have at home.

Learning Outcomes achieved through this Activity:

Through this activity students:

- engage in an ice-breaking activity and get over their shyness of speaking in front of the class
 - feel secure in the classroom environment by talking about their family members and their pet animals
-
