

Lovely Day!

Wake up, wake up,
Wake up early in the morning.

Wake up, wake up,
It's too late to lie on the bed.

Wake up, wake up,
The birds have started to sing.

Wake up, wake up,
The bees have started to buzz.

I am ready, I am ready,
It's time to get up and smile.

I am ready, I am ready,
What a lovely morning!

The horses, the ducks,
The sheep and the chicken,
All are up and about,
What a lovely day!
