

**Competency: Understanding the Basic Concept**

Aman, Bhanu, Shreya, Tarun and Tanya measured the length of their pencils. They stuck their strips as shown.

**Study the above chart and answer the following questions**

- The length of Aman's pencil is \_\_\_\_\_ cms.
- The length of Shreya's pencil is \_\_\_\_\_ cms.
- Length of Bhanu's pencil is \_\_\_\_\_ than Tanya's pencil (more, less).
- The difference between the length of pencils of Tarun and Aman is \_\_\_\_\_ cms
