Azim Premji University public lecture series to feature Dr Soumya Swaminathan

Bangalore, November 23, 2023: Former WHO Chief Scientist and current Chairperson of M S Swaminathan Research Foundation, Dr. Soumya Swaminathan, will feature in the Azim Premji University public lecture series event to be held in Bangalore on November 25.

She will speak on “Food and Health: Are we on the right track” and address how dietary choices affect individual and planetary well-being.

With over three decades of experience in paediatrics, clinical care, and global research on tuberculosis and HIV, Dr Soumya Swaminathan has contributed significantly to translating research into impactful health programmes. She has held key positions in the Indian government, including Secretary for Health Research and Director General of the Indian Council of Medical Research.

Date: November 25, 2023
Time: 11 AM – 12.30 PM
Venue: Bangalore International Centre, Domlur

About Azim Premji University
Azim Premji University was established under the Azim Premji University Act 2010 of the Government of Karnataka. Azim Premji Foundation, the sponsoring body set up the University as a fully philanthropic and not-for-profit entity, with a clear social purpose of contributing to the realization of a just, equitable, humane and sustainable society.
